HARVEY, HUGHES & CO.

Market and Jefferson.

LAWNTONVILLE, Ky.,

TUESDAY MORNING.....MAY 21, 1861.

NOTES TO ALL SUBSCRIBERS IN THE
COUNTRY.

It is useless, perhaps, to repeat it; but, nevertheless, no paper in arrears will be forwarded. It will be stopped to the day. It is impossible for us to continue to those carelessness of their accounts.

Those who fail to receive their paper hereafter, upon taking the trouble to ascertain, will find that their subscriptions are in arrears.

MALT AND HOPS.—See the advertisement, in another column of this morning's paper, of Messrs. John Engels & Co.; they have refitted the brewery buildings on the south side of Market street, between Sixth and Seventh streets, and are now prepared to furnish malt and hops at the shortest notice and on the fairest terms. This firm is composed of clever gentlemen who understand their business.

General Scott, in the course of his military life, has been presented with a gold medal and a beautiful sword from the Commonwealth of Virginia.

We call the attention of our readers to the dry goods sale this morning of L. Kahn & Co., at No. 40 Main street. Their stock of goods is well assortured, and buyers will find plenty of goods at the sale to replete their stocks. The goods will be sold without reserve.

J. M. R. writes an article in reference to the State Guard. The article is neither conceived nor written in such a spirit as seems to us most commendable. And from this, J. M. R. should know that we never publish articles of any sort from people whose names are not known to us.

BARN BURNED.—We learn that the barn of James W. Graham, Esq., residing some ten miles from this city, on the Preston street plank road, was burned on Saturday night, killing eleven horses and one mule. The whole contents of the barn were consumed. We did not learn the extent of the loss. It was the work of an incendiary.

Attention is called to the sale of Messrs. S. H. Henry & Co., at their auction rooms this morning (Friday). At 10 o'clock they sell a variety of dry goods, with a retail stock; at 11 o'clock a fresh invoice of first-class men's, boys', women's, and misses' boots and shoes; at 11 1/2 o'clock by order of constable, a large retail stock of boots and shoes—men's, women's and misses' wear.

The remains of Sergeant William Murphy reached the city yesterday by the Adams Express Co. He was killed by a comrade in arms—Sam. Moore. Both were citizens of Louisville, and members of Col. Blanton Duncan's regiment, which passed around by Nashville to Harper's Ferry. Mr. Murphy leaves a family to mourn his loss. We have not been furnished with the particulars which lead to the unfortunate encounter.

FRANKLIN PLAINING MILLS.—We are glad to inform our readers and the friends of Mr. H. O. Van Seggeren, that his establishment is in full operation again. This is not one of the most extensive Plaining Mills in the West, and he is now prepared to fill orders for anything in his line at the shortest notice. Mr. V. is a practical mechanic, and has put up some of the finest buildings in this city.

It has been announced that Lieutenant Drake and Anderson had been ordered on duty. The resignation of Lieutenant Anderson has, we understand, been officially accepted. Lieutenant Drake is on leave, as an invalid, at his mother's residence in the country. As we are informed, he has, as yet, received no orders from the Federal authorities. Mr. Drake, we are satisfied, will report himself ready for duty at the earliest practicable moment. Until that time, it is unkind to make statements calculated to do harm to so well-known and efficient an officer.

THEATER.—Benefit of the National Guards. The performances this evening will partake, as did those of last evening, of the military character. The evening will be devoted to the National Guards—a most worthy and deserving military company, and we doubt not will receive their full share of the public patronage. The performances offered, are of a character well calculated to attract a large audience. The evening will be one of unusual interest. We are to have, for this evening's entertainment, the favorite comedy of the Review, and the romantic drama of the Robber of the Rhine.

POLICE PROCEEDINGS.—Monday, May 20th. Margaret McElhaney sued out a peace warrant against Thomas and Ann Carr, dismissed.

D. A. Barton, Chas. Levering, Margaret Collins, and George Perrin, drunk and disorderly conduct. Bail of each in \$100 for two months. Workhouse.

Perry Riley, drunk and abuse of his family. Discharged.

John Park, bringing into the State a pauperistic. Bail in \$200 to answer.

Commonwealth by James McCullough vs. Nancy, slave of Thomas J. Jacob, warrant for assault and battery. Bail in \$100 to answer to-morrow.

Peter Trahan, declaration of final oath filed.

JEFFERSON COUNTY COURT.—Monday, May 20th.—Andrew Monroe, Judy—George Mullican, Deputy Assessor, returned his book of assessment for the Western District of the city, showing \$105 lists and 1,611 white males over twenty years of age.

E. W. Rulledge filed his petition to town license at his house on the Saltwater turnpike.

Rule against Wm. H. Johnston, returns to 25th inst., to file an inventory, settle his accounts, and give additional security as administrator of George Granger.

John Harrison, Assessor, returned his assessment of the Southern District of this county, showing 2,374 lists and 1,611 white males over twenty-one years of age.

Laura M. Higgins chose J. C. Higgins her guardian, who gave bond, with Taylor P. Smithe security.

Jacob Boomer was appointed guardian of Ferdinand Lutz, Sophia Lutz, Rodriguez Lutz, Margaret Boomer, Jacob Boomer, and Martin Boomer—Philip Hinkle security.

Jacob Boomer was appointed administrator of J. J. Lutz, P. Hinkle security.

Hols. vs. Richard Burke, returnable to the 20th, to settle his accounts and give additional security as administrator of Sarah Thompson.

The settled account of Eliza Bacham, guardian of Mary McElhaney, was filed and continued for exceptions.

Wm. Katz, guardian of Eliza McElhaney, allowed to pay his ward \$100.

On the petition of George Henry Monk, his name, and that of his son, George Hartley and Harry John, is changed to Gilker.

Wanted.—A situation by an efficient house-servant. Apply at No. 208 Eighth street, or 407 Third street, Baum's.

GARVIN RIFLES. The members of the Garvin Rifles are requested to meet at their meeting this evening at 7 o'clock.

A man named Addison T. Green, supposed to be an escaped Kentucky convict, was arrested in Memphis, on Thursday, and lodged in jail.

By the fall of a bridge over the Little Miami canal at Cincinnati on Sunday, two or three hundred persons were precipitated into the canal, but, strange to say, no lives were lost.

ROXBURY.—A Kentuckian was assaulted by a couple of robbers, in Cincinnati, on Friday night, knocked insensible, and with a pair of knucks, and robbed of about \$30 in money.

FLY IN THE WIND.—The Vincennes Sun has complaints from farmers in various parts of Knox county, Ind., of the serious ravages of the fly in their wheat. Some fields that gave excellent promise a few days ago are now reported nearly worthless.

Twenty-four large boxes, containing muskets, powder, and other contraband goods, shipped aboard the Sioux City for the interior of Missouri, were seized at St. Louis on Saturday. They were marked "Family Soap," and came from a well known gun store in that city.

INGENUITY AND ARRESTS.—About two o'clock, Sunday morning, the barn of Jas. W. Graham, Esq., in Jefferson county, about eight miles from the city, was set on fire and entirely destroyed. Ten or twelve horses and mules in it were burnt to death. Yesterday some five or six negroes in the neighborhood were arrested for the arson, and confessed their guilt.

THE GOVERNOR'S PROCLAMATION.—We publish to-day the proclamation of His Excellency, forbidding the approach of hostile troops from either section. The proclamation has been frequently called for, and its issue now should induce the respect of both North and South for the position assumed by our State. We cannot doubt that it will do much to prevent either section from interfering with our present status.

FATAL AFFRAY.—The Shawneetown (Ill.) Mercury of Thursday says a difficulty occurred in the edge of Iroquois county, about nine miles from that city, on Monday last, killing eleven horses and one mule. The whole contents of the barn were consumed. We did not learn the extent of the loss. It was the work of an incendiary.

Attention is called to the sale of Messrs. S. H. Henry & Co., at their auction rooms this morning (Friday). At 10 o'clock they sell a variety of dry goods, with a retail stock; at 11 o'clock a fresh invoice of first-class men's, boys', women's, and misses' boots and shoes; at 11 1/2 o'clock by order of constable, a large retail stock of boots and shoes—men's, women's and misses' wear.

FATAL AFFRAY AT COLUMBIA.—An affray occurred at the depot in Columbia, Tenn., on Saturday, between Mr. W. R. Porter, formerly deputy sheriff of Maury county, and Mr. W. C. Reynolds (both sons-in-law of Major Thomas Leftwich, of the vicinity of Columbia), in which Mr. Porter was killed and another seriously if not fatally wounded. We did not learn the names of the parties engaged in it. The killing is said to have been done in self-defense.

ARRIVAL OF GOVERNMENT ARMS.—Over one thousand six hundred stand of arms destined for Covington on Friday morning, arrived for Paris, Winchester, Millersburg, Georgetown, and other interior cities of the State. About three hundred, with ten rounds of ball and buckshot cartridges, were directed to Colonel John W. Fennell of Covington, who has distributed them among the Citizen's Guards, and the military companies in the city.

A time when there is great fear that the stock of dry lumber, esch., doors, blinds, etc., will fail short, owing to the vast amount of improvements in Louisville, it will be interesting to the public to know that Alexander, Ellis & Co., have enlarged their factory and have now on hand several million of dry lumber. Atrophy or nervousness, melancholy, and indescribable lassitude, with physical and mental depression, are frequent complaints with the old and young of both sexes. The causes are various; with men, it may arise from disease or over attention to business or study; with women, to sedentary habits or over-taxed maternity; the only specific for these and such like visitations is the far famed WRIGHT'S REJUVENATING Elixir; it is exhilarating, tonic, restorative, and being entirely composed of vegetable productions, is a sworn foe of all the dangerous minerals of the day, and will assuredly expel mercury and its evil influences from the system. Sold by all respectable druggists throughout the United States and Canada. J. Wright & Co., sole proprietors, New Orleans, La. See advertisement.

Dr. SCHLESINGER—Dear Sirs: I have to state that your Fever and Ague Antidote is daily growing in favor, and needs no putting to recommend it, as its own merits are well known, whereon no argument can be made. I believe it has never failed, where the administration has been proceeded with in accordance with the directions. It is a pleasure to see medicines that meet the expectation of purchasers and give satisfaction, and as such I am proud to recommend your Pill.

Dr. D. DUCK, Physician and Druggist, 405 Broadway, New York.

McLean's Strengthening Cordial is receiving the unanimous recommendation of the press, not only at St. Louis, but all over the country. This remedy is evidently the result of close observation and study. Wherever it has been used it has been recommended with the highest encomiums of praise. Persons can have no conception of its efficacy, without giving it a trial. Once more we warmly recommend this remedy as a superior tonic and alterative.

Dear Sir: For the past several months I have been laboring under great weakness and general debility, much of the time confined to my bed, and from which I received no benefit from my physician. Plumb, I feel well, and a new person, almost entirely free from disease, and would recommend your medicines to all who are in need of an invaluable remedy.

Yours truly, MARY Y. HOFFMAN.
